# ■ Introduction

Talukdar Ten Brothers Construction Limited is a dynamic, multi-base contractor's firm. Md. Imran Hossain Talukder established the company in 2014 under the name Talukdar Traders. To expand its operations across the country, Talukdar Traders was transformed into a limited company in 2021 and it was established as Talukdar Ten Brothers Construction Limited Company.

Talukdar Traders(Currently Talukdar Ten Brothers Construction Limited) has been providing suppliers and construction work with reputed domestic companies for over 6 years. Talukdar Ten Brothers Construction Limited is a subcontractor named Talukdar Traders in the list of Japanese contractors for Bangabandhu Rail Bridge Project.

# WELCOME

**MD. IMRAN HOSSAIN TALUKDER**  
Managing Director

I started trying to become a young entrepreneur after graduating in 2012. First I started the business with sub-contracting work. Using the licenses of others, I gained experience working in various government departments including LGD, Roads and Highways, Bridges Authority. And in 2014 established a proprietary business called Talukdar Traders. Through Talukdar Traders, I have been dealing with big domestic companies, suppliers and construction work for over 8 years. At Present Talukdar Traders is working as a sub-contractor listed by Japanese contractors for the Bangabandhu Rail Bridge project. From that inspiration, To expand the business we transformed Talukdar Traders into a limited company and established Talukdar Ten Brothers Construction Limited. Assuming responsibility as Managing Director.

We carry out quality construction projects as per customer's requirement with maximum efficiency in minimum time and through planned and organized use of manpower, materials, equipment and financial resources. Our company enjoys helping you design your project and bringing your dream to life.

## ■ MANAGEMENT TEAM

**Abdul Kayum Talukder**  
Director & Project Manager

**Md. Kamrul Talukder**  
General Manager

**Md. Nasim Talukder**  
Marketing Manager

**Adnan Talukder**  
Assistant Project Manager

We have come this far because of the hard work, dedication, and efficiency of our staff and management team.

# Our Organogram

Talukder Ten Brothers Construction have their own resident facility for their employee, so that they couldn't face any trouble to collect them.

## Managing Director

## ENVIRONMENT, HEALTH AND SAFETY

■ We are well aware of environment, safety and health issues that have a significant impact on our environment employees and interested parties. We are highly determined to our commitment regarding full professional safety, health and environment friendly work practice with full compliance to legal issues. Achieve our objectives and targets through persevering natural resources, prevention of pollution, injury and health issues. We are also committed to effective communication within company staffs and interested parties. Promote continual improvement of PEHS through constant training and sustainable management planning.

## Strategic Planning

No good deal lasts forever. Because the market customers and even products and services change one need a strategic plan that will help the company to adapt and grow. Strategic planning helps senior executives envision and develop the company 's future.

- ✓ Prepare for the planning process;
- ✓ Build effective planning to aim;
- ✓ Identify and shape the corporate culture;
- ✓ Conduct a situational of both internal and external environments;
- ✓ Implement teamwork to achieve long-lasting results;

### Business Commitments

Saving commitments on words & time is the first things in the business;

Successful deals is finalized by goals, but setting goals is nothing if you do not stick with them;

Commitment to value is the core, it forces to hardest way of working;

Commitment to action is also important. Every single day is needed to commit an action towards the goals.

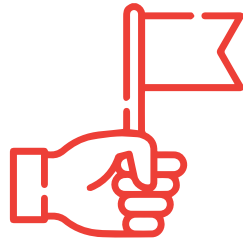

Making a team is much more strategic way to success. Here's the power of we is enforces to result.

# MISSION

■ Our Mission defines our Roadmap. We excel to develop and deliver value added goods and services to our esteemed customers, consistently outperform our peers, build enduring relationship with our business associates and stakeholders, provide a dynamic and challenging environment for our employees and aim to achieve incremental growth of our business thereby having a positive economical and social impact on the community and the nation.

# VISION

■ Our Vision materializes our Roadmap. We are aimed at contributing to the economic, social and environmental progress and prosperity of Bangladesh through optimum use of our resources applied in constant development of our value-added products and services.

# ■ Our Core Values

## Quality

We are committed to excellence in the services we provide and in the results we attain for our clients. We achieve the highest quality of service delivery by attracting, developing, and retaining the best professionals and investing in the latest technology.

## Integrity

We always strive to do what is right for our clients, for our community and for our profession. Ethics, fairness, honesty and integrity are the cornerstones of our practice.

## Teamwork

Our culture of teamwork allows us to bring together the best thinking and advice from our professionals and delivers the best and highest solutions at the shortest time possible to our clients' complex problems.

## Professionalism

It is our duty to perform to the highest standards of professionalism as dictated by the local and international professional code of ethics and the regulatory bodies. We, therefore, invest in staff that have the relevant academic and professional qualifications, knowledge and experience in all areas of our services.
